James,

We reviewing the PPR, I noticed that you had this marked as final, however you state that the project is not completed due to delays. Are you wanting to forfeit this project?

If so, please provide a statement saying you voluntary forfeit this project. A PPR will not be needed if this is the case.

Attached please find our final report for the above referenced project. As stated in the report, we have decided not to proceed with the project due to budget constraints and financing costs.

Best regards,

Jim Edwards, President
