Dear Ms. Dorge and Members of the Committee:

I am writing in support of the application by The Bishop Spencer Place to add 21 assisted living beds to be used as a new memory care unit. As a geriatrician, I feel that this proposed memory care unit will expand the range of services available to residents in my community and is a much-needed level of care for both the current residents of The Bishop Spencer Place and the surrounding community.

I believe the addition of this memory care unit is an important enhancement to health care services available to our community, and I urge your support of this application.

Sincerely,

Re: Assisted Living/Memory Care Beds

The undersigned write in support of the Application of Bishop Spencer Place ("BSP") to add 22 assisted living beds to be used as a new memory care unit. We previously resided in a Continuing Care Retirement Community ("CCRC") in Florida before relocating to BSP. That facility had memory care units which we consider to be a necessity for BSP to achieve the full status of a CCRC. The availability of memory care is especially beneficial to a spouse who needs/wants access to visit their spouse on a daily basis as opposed to traveling to a separate facility.

As fulltime independent living residents of BSP, we believe that it is essential the memory care become part of the services available at BSP. We believe that this is important not only for residents of BSP but also for the overall Kansas City community.

We recommend that the Committee approve the BSP Application for the enhancement of services available from BSP.

Respectfully,

Stephen W. Crider

Dear Ms. Dorge and Members of the Committee:

I am writing in support of the application by The Bishop Spencer Place to add 22 assisted living beds to be used as a new memory care unit. I am currently a resident of The Bishop Spencer Place, residing in Independent Living, and the addition of this memory care unit will expand the range of services available to residents in my community. This service is a much needed level of care for both the current residents of The Bishop Spencer Place and the surrounding community.

I believe the addition of this memory care unit is an important enhancement to health care services available to our community, and I urge your support of this application.

Sincerely,

Clark Achelpohr
