# HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit

https://grants3.hrsa.gov/2010/WebEPSExternal/Interface/common/accesscontrol/login.aspx to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

## **Terms and Conditions**

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

# **Grant Specific Term(s)**

1. This revised Notice of Award (NoA) is issued to administratively reduce the authorized award amount from \$4,131,533 to \$3,878,582 issued on 04/17/2020, NoA to the Missouri Department of Health and Senior Services. Non-Federal Entity awards are based on the number of eligible hospitals participating in COVID SHIP funding (\$84,317 per hospital). This revision is necessary due to a reduction in the number of participating hospitals, from 49 to 46.

All prior terms and conditions remain in effect unless specifically removed.
