

State Advisory Council Trauma Subcommittee

WebEx Meeting <https://slhs.webex.com/meet/pjackson>

September 26, 2023

10:00 AM

- I. Introductions were made
 - a. Welcome to Nicole Grover the new TPM at Research Medical Center

- II. Update from the State

Nicole Gamm gave the update from the state.

 - a. The TCD public portal has been launched. The link is below. Nicole gave a walk-through of the website.
 - i. <https://missourihospitals.imagetrendlicense.com/lms/public/portal#/login>

- III. TXA Dosing
 - a. Dr. Andrews requested that this committee discuss TXA dosing.
 - i. Dr. Neel said he defers to his blood bank and their pharmacy about dosing. The trauma orders for TXA is 2 Gms as one dose. Research and Saint Luke's is doing the same. The pediatric centers are doing 15 mg/kg up to 1 Gm for 15 years and under.
 - ii. SAC Pediatric Subcommittee Report – Liz Kendrick reported the committee is looking at how the age group of 15-17 are transported. They are wanting to get metrics from the adult trauma centers about this age group. The group felt this would be a good discussion. Liz said that there will be more to come after the Pediatric Subcommittee discusses it a little more. Nicole said the state would be able to help with some data from the EMS Elite data. David said that many of the pediatric patients don't come by ambulance, so it would be helpful to have both EMS and hospital data.

- IV. Trauma Education
 - a. Upcoming education was put in the chat for all to see.

- V. Injury Prevention Project / Performance Improvement
 - a. Kayla Whitaker updated about a possible TQIP Collaborative. She said the cost is based off of the number of hospitals and the trauma level of the hospitals. There is an initial set up fee and an annual fee. She said the participating facilities would get a shared report. A report across whoever is in the collaborative. Each center would be benchmarked only against the centers included in the collaborative. Kayla said there are two structures. One is made up of only Adult Level I & II centers or Pediatric Level I & II centers. The fee is based off the number of centers in the collaborative with a minimum of 3 hospitals and no max. They have a 3rd party collaborative. The 3rd party is invoiced and the hospitals pay that collaborative party. There is a fee of \$5,000 if there are 3-5 hospitals participating. If 6-10 participating hospitals it is \$10,000, 11-24 is \$15,000, and 25 and over is \$20,000. She said the benefits are risk adjusted outcomes, system level quality improvement, education, and identification of best practices. You receive a semi annual report.
 - b. Liz Day emailed information from Arkansas and the cost was \$18,000. It was unclear if this was per facility or total.

- c. Link for more information regarding TQIP Collaboratives <https://www.facs.org/quality-programs/trauma/quality/trauma-quality-improvement-program/tqip-collaboratives/>

VI. Around the Room

- Pam mentioned there are multiple meetings for trauma across the state. She mentioned it would be good to have one meeting. There are the SAC Trauma subcommittee, TCD Trauma subcommittee, MHA Trauma workgroup and the same people at each group.

Attendance

Pam Jackson	Saint Luke's Hospital of Kansas City
Liz Kendrick	University of Missouri
Nicole Grover	Research Medical Center
Angie Giegerich	HCA Midwest
Brian Draper	
David Seastrom	Children's Mercy Hospital
Dr. Dustin Neel	University Health Truman
Elizabeth Day	Mercy Hospital Springfield
Elizabeth Woodward	DHSS
Heather Pratt	Mercy Hospital Washington
Jennifer Baetz	Mercy Hospital St. Louis
Jennifer LaPlante	Mercy Hospital South
Jon Eivins	Mosaic Life Care
Kari Beck	WMMC
Kayla Whitaker	Barnes-Jewish Christian
Leigh-Ann White	
Libby Clark	
Lori Beck	St. Louis Children's
Mallory Clatterbuck	Univ. of Missouri
Melissa Ramsey	Belton Regional Medical Center
Michelle Harbert	DHSS
Nicole Gamm	DHSS
Pam Golden	SSM Health St. Louis
Shari Riley	Bothwell Regional Health Center
Sarah Brown	SSM Health St. Joseph Hospital
Sharell Questelle	Mercy Hospital Joplin
Stephanie Reich	North Kansas City Hospital
Teresa Lienhop	University Health – Truman
Tiffany Taylor	CGCH
Vera Morrill	SFMC
Scott Linz	Children's Mercy Hospital
Tiffany Placke	Mercy Hospital South
