Listen for Information

Listen for information about what to do and where to go during an emergency. City, county, and state officials have developed emergency plans. During an emergency, it is important to follow their instructions and advice.

Other things to consider:

- Know the emergency and evacuation plans for your workplace. (Keep a supply of water and canned food, a flashlight, battery-powered radio, change of clothes, and a pair of shoes at your desk or in your locker.)
- Review the building's emergency and evacuation plans if you are a senior citizen or a disabled person living in a special care facility.
- Identify people who can help you during an emergency if you are disabled living at home or have special medical needs.
- Learn about emergency plans at your child's school or day care center. (Make sure they have up-to-date contact information for you and another member of your family.)
- Keep a small, portable emergency supply kit in your car at all times. (Include a gallon of water, several cans of food, and a manual can opener, a sleeping bag or extra blanket, extra money, and first-aid supplies.)
- Consider your pet when preparing for an emergency.

Discuss this information with your entire family.
