Test Results

Left Ear		Right Ear
<input type="checkbox"/>	No hearing loss	<input type="checkbox"/>
<input type="checkbox"/>	Hearing loss	<input type="checkbox"/>

If your baby has a HEARING LOSS:

- ✓ Contact State Newborn Hearing Screening Program
- ✓ Contact **MO First Steps** early intervention program
- ✓ Contact Hands and Voices national office
- ✓ Learn about communication options and programs
- ✓ Discuss use of hearing aids and availability of loaner hearing aids with audiologist
- ✓ Learn about FM systems, cochlear implants, etc.

Audiological Evaluation completed by well baby check at 3 months old

Before 6 Months

Baby has a HEARING LOSS:

- Enroll in **MO First Steps** early intervention program for children birth to age three who are deaf or hard of hearing (*Children who participate in early intervention prior to six months can have age appropriate skills by preschool*)
- See **Ear, Nose and Throat (ENT)** doctor for medical clearance for hearing aids
- See **Pediatric Audiologist** as recommended

Evaluations to discuss with your baby's doctor:

- Ophthalmologist (Eye Specialist)
- Genetic Specialist
- Other Medical Specialists (heart, kidneys, development, etc.)

Above activities completed by well baby check at 6 months old
