

Bill Credits up to \$65 per month

Missouri Economic Relief Pilot Program

The Economic Relief Program (ERPP) is a great way to help ease the pain of monthly bills and provides an easy way to help budget your monthly expenses.

When times are tough Evergy strives to find ways to help our customers find financial assistance. Our Economic Relief Pilot Program allows a credit of up to \$65 per month, for a maximum of twelve consecutive months, for qualified customers in need of financial assistance to pay their electric bill. Call the ERPP hotline at **816-756-5392**, option 1 for availability information.

How to sign up

Evergy is partnering with The Salvation Army in the ERPP screening and application process. To make an appointment, please visit evergy.com to find The Salvation Army office near you.

If you do not have internet access, please contact United Way 2-1-1 by dialing **211** on your phone to find The Salvation Army office in your area. Or, you may request an application by mail or call the ERPP hotline at **816-756-5392**, option 1.

Eligibility

- An active, Missouri residential account with Evergy that is in good standing
- Not currently disconnected and not currently at risk of it
- Income is at or below 200% of the current federal poverty level (see guidelines below)
- Must not have been previously removed from the program due to mishandling of your Evergy account (non-payment, tampering, diversion, fraud)
- Must agree to participate in an interview regarding program participation if requested by Evergy and/or the Missouri Public Service Commission

Income Guidelines

Persons in household	Gross Annual Income	Gross Monthly Income
1	\$25,520	\$2,127
